1.3 - Curriculum Enrichment**1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum**

Our institution emphasizes on Human Values, professional ethics, intellectual and moral uprightness with a strong educational conscientiousness. The educational sustainability depends on our curriculum planning, methodology and dynamic work environment which help to work towards bringing positive changes in the lives of students. The environmental sustainability of our institution is relevant to the mainstreaming of such cross cutting issues in our well researched curriculum. Teaching is considered as a noble profession and a good teacher is always an important factor influencing the quality of education in any educational sector. Our institution continuously works on enhancing educational system and strives hard to formulate policies that support the professional development of student-teachers. The professional development of teachers depends on the various policies, procedures and provision designed to equip teachers with the knowledge, attitudes, skills and behaviors required to do well and effectively in the school as well as in wider community. In Covid -19 crisis we arranged an "International webinar on Impact of covid-19 on Teaching-Learning process, challenges and solutions" on 17th June, 2020 to encourage our trainee teachers to seek out professional development opportunities even in global pandemic situation and how to overcome the challenge as well as strengthen the skills and infrastructure for blended learning.
